Experience

September 20, 2021 - Present

Web Developer at Presentail

- I worked on both Presentail's and Hadiyatee's websites as a full-stack Web Developer, using Wordpress and WooCommerce plugin.
<https://presentail.com/>
<https://hadiyatee.com/>
- I implemented a new design to the website, the design was provided on Figma.
- For the backend part, I worked on fetching the content from the dashboard.
- I worked on the website's webhooks to send requests to a third part API.

March 18, 2021 - Present

Web Developer at Beirut AI

- After working with Zaka AI, as an intern, I was assigned to manage and work on Beirut AI's website.
- I was responsible for the design of the company's website.
- I managed the interns, and guided them through their tasks.
<https://beirutai.org/>

December 18, 2020 - March 18, 2021

Web Development Intern at Zaka AI

- Worked on the website using Wordpress.
- Applied the Mufin Builder, which is a drag-and-drop page builder.
- I also hard coded some of the features using CSS, HTML, and Javascript.
<https://beirutai.org/>

January 9, 2021 – February 10, 2021

Web Development Intern at AUB Outlook Newspaper

- Applied a new design to the website using Laravel as a framework.
- I worked on the Frontend part of the website using HTML, CSS, and Javascript.
